New Business

Ceinture belt order

Belts from The War Factory Australia are \$60 each, ordering 10 gets us a 15% bulk order discount.

Proposal: Approval for \$510 to purchase 10 more Ceinture belts

Proposed by: Brendon Neal

Seconded by: Seth Booth

Motion passed: Yes

Replacement storage cabinet for upstairs at the Bridge Club

The current storage cabinet is not practical and too small for the items being stored. I think it would be much better suited to storing other items in the shed, e.g. rapier blades.

This cabinet from Bunnings [\[link\]](#) is larger and more flexible as the shelves can be adjusted to different heights. It is also a bit deeper than other similar cabinets. The normal price is \$499, but I can get it at Trade price for \$474.05.

Proposal: Approval for \$475 to purchase a storage cabinet
