Officer Reports

Seneschal

Leisel has been approved as the next A&S Officer, currently just waiting for the plans to be finalised for the office handover.

The next position to be up for advertisement will be the Herald office, so please start thinking about who you think might be a good fit for the role and consider encouraging them to apply.

New Business

Request for Arrow Making Supplies

The archers would like to acquire some arrow making supplies as our supply of arrows acceptable for shooting people is sadly quite low. We would like to get 12 2.4m lengths of 8mm tasmanian oak dowel, link below. It is $4.93 per length, so $59.16 total for the dowel (enough for 36 arrows). We also need knocks, the 100 pack is the most cost effective option ($18 +$5 for shipping) and we can keep the extras in the arrow repair kit (and there are about 10 arrows that are fine just need a new nock). Amazon link for nocks below. We have fletches and tape in the kit already, but may need to purchase additional fletches later in which case I'll make a separate request for that.

Event Report

St Florian 25th Anniversary - Steward Katie Babkoff

60 paid bookings in total, which was lower than expected so the event ran at a loss.

Total incoming was $1,355
Total expenditure was $2,050

We would not use that hall again due to issues with things not working at the hall that were not disclosed and the ‘required’ security guard never showed up. Thankfully we were able to get a refund of the fee for the security guard from the council.

Requesting refund of $620.96 for expenses incurred that Katie paid for out of pocket.

Proposal: Approval of reimbursement of $620.96 to Katie for costs incurred for St Florian 25th Anniversary

Event Bids

Baronesses Birthday Bash - Steward Deagan Rodgerson

This event is intended to be a fencing and heavy tournament, with lunch provided. (There will also be a cake) It will be held at the Brisbane Bridge Centre on 24th October.

Gluten and dairy free options will be provided for lunch, seeing as an unfed baroness on her birthday is generally a bad idea.

The combat will be a quick tourney, followed by a team melee lead by 1st and 2nd for the honour of priority in the cake queue. (1st slice obviously going to Katie) There will be fencing and heavy tourneys, each winner of the melee must paper scissors rock for 2nd and 3rd slice
