Officer Reports

Seneschal

Thankyou to all the Baronial and Passalaqua officers for submitting their quarterly reports.

With a significant portion of our Baronial offices having changed hands since the last poll, a new poll was run on the best day to hold Baronial Meetings. Thursday and Friday polled the highest, so from next month we will be holding Baronial Meetings on the 2nd Thursday of each month.

A general reminder to all prospective event stewards:

- If you receive a cash advance from the Barony to purchase items for your event then any unused funds must be transferred back into the Baronial account within 3 days of your event ending
- You cannot be part of an event team if you have overdue reports outstanding from for your previous event
- Failure to finalise your event reports and settle funds could result in you being barred from running future events

Reeve

Account: \$28,879.92 and no outstanding invoices.

Herald

Not present, no report received.

Hospitaller

Not much to report as I've only just taken over and the office has been quiet for some time. I would like to collect the hospit garb and feasting kits from the shed at BBC when I am next able to so I can do an inventory on what we have, clean what needs it and discard what is damaged.

Webwright

Not present, no report received.

Heavy Marshal

Not present, no report received.

Rapier Marshal

Not present, no report received.

Arts & Sciences

We started doing the 100 days of A&S on Facebook but nothing else.
